

LUMP SUM BENEFIT PAYMENT REQUEST FOR YOUR SUPERANNUATION OR ACCOUNT BASED PENSION

Tidswell Superannuation Fund

How to claim a benefit

To claim a benefit from your Tidswell Superannuation Fund (**the Fund**) you will need to complete the attached Benefit Payment Request and send it to Tidswell Financial together with the appropriate identification documents as outlined in the section *Completing proof of identity* on pages 3 and 4. Please read the following information to assist you with completing this Benefit Payment Request and to determine the type of benefit for which you are eligible.

Your Benefit Payment Request will be processed as soon as reasonably practicable and ordinarily within 10 business days of receipt of your request, provided there is sufficient cash in your account to make the withdrawal. Please note that Tidswell Financial Services Ltd (**the Trustee**) has up to 30 days from receipt of a request to process a withdrawal. There is an exception to this requirement where specific investments have redemption restrictions imposed on them that prevent us from paying a benefit within this time period.

Member details

It is necessary to complete these details. They should include your member number, name, date of birth, TFN and contact details. Also enclose a copy of the appropriate identification documents as outlined in the section *Completing proof of identity* on pages 3 and 4.

If you are having difficulty meeting these identification requirements please contact your financial adviser or Tidswell Financial on 1300 796 079.

Reason for payment request

RETIREMENT

For superannuation members, upon permanent retirement from the workforce after reaching your preservation age, your retirement benefit will be the full amount in your account less any applicable tax and fees.

You are deemed to be permanently retired if:

- you are aged 65 or over; or
- you are aged between 60 and 65 and terminated employment after reaching age 60; or
- you have reached preservation age (see table), ceased employment and do not intend to work 10 hours or more per week.

Preservation age is defined as the age a member of a superannuation fund may access the preserved benefits which have built up in the fund, provided that they have permanently retired from the workforce.

The Federal Government has legislated the following preservation ages:

Date of birth	Age
Born before 1 July 1960	55
Born before 1 July 1960 – 30 June 1961	56
Born before 1 July 1961 – 30 June 1962	57
Born before 1 July 1962 – 30 June 1963	58

Born before 1 July 1963 – 30 June 1964	59
Born after 30 June 1964	60

ROLLOVER/TRANSFER TO ANOTHER FUND

If you leave employment or change jobs you may rollover your benefit to another complying superannuation fund. If you have not left your employer, you may still be able to transfer your benefit to another complying superannuation fund.

Please complete the section *If you are rolling over/transferring your benefit* on page 6 of the Benefit Payment Request.

UNRESTRICTED NON-PRESERVED BENEFIT

Unrestricted non-preserved amounts can be released under current superannuation legislation. Please refer to your last Member's Statement for details on the preservation components of your benefit.

TOTAL AND PERMANENT DISABLEMENT (TPD)

A TPD benefit is payable if, after considering relevant evidence, including medical reports, you are determined to be physically or mentally incapacitated to such an extent that you are unlikely to ever be able to work for reward again in any occupation or work for which you would be reasonably qualified by education, training or experience. You will be advised of the additional requirements by the Trustee on receipt of this completed Benefit Payment Request.

SEVERE FINANCIAL HARDSHIP

A benefit may be available to members who are in severe financial hardship and have been on Commonwealth Income Support payments for more than 26 continuous weeks. The Trustee will advise you of the additional requirements on receipt of this completed Benefit Payment Request.

SPECIFIED COMPASSIONATE GROUNDS

The release of benefits on specified compassionate grounds will be assessed by the Australian Prudential Regulation Authority (**APRA**) against strict criteria.

Briefly, the criteria relate to needing funds for medical treatment for certain acute, chronic or severe conditions, to prevent foreclosure of a mortgage on a home, to modify a home because of a severe medical disability, or for expenses associated with death, funeral and burial.

An application form must to be submitted to APRA. If approved by APRA, the request is then referred to the Trustee who will then release your superannuation benefit. For enquiries or to obtain a copy of the form please contact the Trustee.

TERMINAL MEDICAL CONDITION

A tax free lump sum benefit may be paid if a member has a terminal medical condition and two medical professionals certify that the condition or injury is likely to result in the member's death within 12 months.

TIDSWELL SUPERANNUATION FUND

BENEFIT LESS THAN \$200

Members may cash their benefit where they have terminated employment with the standard employer-sponsor of their fund and their preserved benefit is less than \$200.

TEMPORARY RESIDENT PERMANENTLY DEPARTING AUSTRALIA

Eligible temporary residents who have permanently returned to their country of residence may be able to withdraw their benefit subject to specific criteria. For further information, please contact the Trustee.

PRESERVED BENEFIT

The preserved component of your benefit cannot be paid until your genuine retirement on reaching your preservation age, except in special circumstances. If you want to transfer your benefit before preservation age to any approved rollover fund such as another superannuation fund or an approved deposit fund, complete the rollover details on the Benefit Payment Request. You may choose to have your cash component remain in the fund, transferred to another fund or paid to you less any PAYG tax.

Preserved benefits can also be transferred to a Transition to Retirement product upon reaching your preservation age.

Privacy Act 1988

The National Privacy Principles bind the Trustee to protect your personal information from unauthorised access, modification or use. We only collect personal and sensitive information from you to maintain your superannuation or pension account, provide you with insurance cover, make benefit payments, handle complaints or claims and ensure the information we hold is current and accurate. In order to pay your benefit the Trustee may disclose your personal information to third parties such as insurers, regulators such as APRA or the Australian Securities & Investments Commission (**ASIC**), your spouse or former spouse, the Australian Taxation Office (**ATO**) or as required by law. A copy of our Privacy Policy is available on our website at www.tidswell.com.au or by contacting us on 1300 796 079.

Declaration

The Benefit Payment Request must be signed and dated by you in the *Declaration* section and returned to the Trustee.

Continuation of insurance cover

If you are a superannuation member and you cease work, your Death Only, Death and TPD and/or Income Protection insurance cover will continue provided you have sufficient funds in your account to pay the premiums.

If you decide to leave the Fund altogether, a continuation option allows you to continue your Death Only, Death and TPD and/or Income Protection insurance cover through an individual insurance policy issued to you by the Insurer.

You may exercise a continuation option within 30 days after you leave the Fund and the Insurer may issue to you an individual insurance policy that is guaranteed to renew annually. All cover under the Fund will cease on commencement of the individual insurance policy.

Please contact the Trustee for further information.

Tax File Number (TFN) notification

We are required to tell you the following details before you provide your TFN for your superannuation products. The Trustee can collect your TFN under the *Superannuation Industry (Supervision) Act 1993* which will be used for lawful purposes. You are under no obligation to provide your TFN, either now or later, and it is not an offence to not quote your TFN.

However if you don't provide your TFN:

- An additional amount of tax at the highest rate may apply on the withdrawal amount.
- No-TFN tax may be refunded if the TFN is supplied within 4 years of the end of the financial year in which the contribution is made. Any refund will be added to your superannuation benefit and will be subject to the usual cashing and taxing rules.
- In the future when we need to pay benefits to you, it may be more difficult for us to locate or amalgamate all the superannuation benefits you are entitled to.

If you do provide your TFN, we will treat it as confidential and use it for purposes, including:

- to find your superannuation benefits where other information is insufficient;
- to ensure you can contribute to your account;
- to calculate tax on any superannuation benefits you may be entitled to; and/or
- providing your TFN to the Commissioner of Taxation if we are paying unclaimed money, if you receive a benefit, or for the purpose of the Lost Members' Register.

If you wish to transfer benefits to another superannuation fund or a Retirement Savings Account (**RSA**), we would provide your TFN to the Trustee of that fund or the RSA provider. If you do not want us to do this, you can notify us in writing at the time.

These purposes may change in the future as a result of further legislative changes. More information about the use of Tax File Numbers for superannuation can be obtained from the ATO hotline on 131 020.

Personal contribution tax deduction

If you wish to claim a tax deduction for personal contributions made in the current or previous financial year, you can provide the information in the section *Personal contributions tax deduction* on page 6.

If you have made personal contributions, you should check whether you are eligible to claim a tax deduction. If you don't claim a tax deduction at the time of making a withdrawal, we may not be able to accept a future request.

For example, we cannot accept a request where your contributions have been used to start a pension or if you have insufficient personal contributions remaining in your plan to cover the amount you are claiming.

If you do not check you are eligible to claim a tax deduction, or you do not have enough assessable income, the ATO could deny your deduction and this may mean you exceed your contribution limit(s). Where this is the case, if you have withdrawn any of your benefit or started a pension, you may not be able to reduce the amount you told us you were claiming. This may mean you have to pay additional tax.

Identification requirements

We are required to comply with the *Anti-Money Laundering and Counter-Terrorism Financing Act 2006*. This means you may need to obtain additional identification details when you commence a new account or undertake transactions in relation to your account.

Your identification may need to be verified before we can approve your request. We may decide to delay or refuse any request or transaction, including suspending a Benefit Payment Request if we are concerned that there may be a breach of our legal obligations.

COMPLETING PROOF OF IDENTITY

You will need to provide **certified** documentation with this Benefit Payment Request to prove you are the person to whom the superannuation benefit belongs.
