1. INSURANCE IN YOUR SUPER

Insured Death (including Terminal Illness), Total and Permanent Disablement (TPD) and Income Protection cover is available to all eligible members of **Superestate**.*

By providing yourself with adequate protection, you can help minimise the financial strain on family members in the event that you die or become permanently or temporarily disabled.

The Trustee has arranged for insurance to be made available to all eligible members should they decide to include it as part of their superannuation account. Premiums are calculated taking into account factors such as the type and level of cover, your age, and occupation and are deducted from your account balance.

We cannot continue to provide insurance cover to members whose accounts have not received a contribution or rollover for 16 or more months. If you wish to maintain insurance benefits regardless if a contribution has not been received within a 16 month period, please contact us to find out how to make an election to maintain coverage.

Default insurance cover

Default Insurance cover is provided to eligible **Superestate** superannuation members irrespective of what investment option or model you choose. If you decide that you do not require insurance cover, as a **Superestate** member, you must opt-out, otherwise premiums will continue to be paid on your behalf out of your **Superestate** account balance until your account has reached the 16 month inactivity threshold.

Default Death/Terminal Illness Insurance cover is provided by MetLife Insurance Limited (MetLife) ABN 75 004 274 882, AFSL 238096. Default Total Permanent Disablement and Income Protection cover is provided by and YourCover Pty Ltd, ABN 351 6903 8466, AFSL 461299 on behalf of various Underwriters at Lloyd's.

We cannot provide insurance cover by default to: members with inactive accounts; new members aged under 25 years; or to members whose account balances have not reached \$6,000 at any point since 1 November 2019. If we do not provide you with insurance cover by default and you wish to obtain insurance cover, please contact us to find out how to make an election to do so.

2. DEATH & TERMINAL ILLNESS COVER

Death cover provides a lump sum payout to your dependants (see the definition of "dependant" in section 1.15) or your legal personal representative (e.g. the executor of your estate) in the event of your death. Death cover is designed to provide your dependents with financial support. You can also receive an amount up to the equivalent of your death benefit paid to you if you become terminally ill (in which case, your death benefit will be cancelled). See section 1.15 for a definition of Terminal Illness.

Terminal Illness cover provides a lump sum payout to you, in the event that you are diagnosed with a terminal medical condition. If you are paid a Terminal Illness benefit, you will not subsequently receive a death benefit.

Levels of cover

Automatic Acceptance Limit (Default Cover) is fixed as follows:

Death and Terminal Illness	
Age (next birthday)	Amount
17 – 33	\$200,000
34 – 47	\$300,000
48 – 52	\$200,000
53 – 56	\$100,000
57 – 65	\$20,000

Because the cover is Default Cover, no underwriting is required.

Subject to any exclusions and further conditions (see section 6), members (or their estate or dependants) will be paid these amounts upon Death or Terminal Illness, as a lump sum. The amount payable is the amount that was the Member's Default Cover at their Incident Date.

Any insured benefit payable is in addition to any death benefit and/or terminal Illness amount that may be payable out of your superannuation account balance.

3. TOTAL PERMANENT DISABLEMENT (TPD) COVER

TPD cover provides a lump sum payout to you if you become totally and permanently disabled (as per the definition of TPD in section 14. DEFINITIONS).

TPD cover is designed to replace your future income via a lump sum payment and provide you and your dependants with financial support.

Automatic Acceptance Limit (Default Cover) is fixed as follows:

TPD	
Age (next birthday)	Amount
17 – 33	\$200,000
34 – 47	\$300,000
48 – 52	\$200,000
53 – 56	\$100,000
57 – 60	\$20,000
61 – 65	\$10,000

Because the cover is Default Cover, no underwriting is required.

Subject to any exclusions and further conditions (see section 6), members will be paid these amounts upon TPD, as a lump sum. The amount payable is the amount that was the Member's Default Cover at their Incident Date.

Any insured benefit payable is in addition to any TPD amount that may be payable out of your superannuation account balance.

4. INCOME PROTECTION COVER

Income Protection cover is designed to help protect your income if you can't work because of illness or injury (temporarily and totally) by providing regular monthly payments to help you meet your living expenses.

Subject to any exclusions and further conditions (see section 6), Automatic Acceptance Limit (Default Cover) is payable as follows:

1. The lesser of a maximum of \$10,000 per month (Automatic Acceptance Limit) or 75% of monthly Salary.
2. Subject to a 30 day waiting period for a maximum benefit period of 104 weeks.
3. Monthly Benefits shall be payable monthly in arrears. Compensation for a period of less than one month will be paid at the rate of 1/30th of the monthly benefit for each working day during which the disability continues.
4. From the date Temporary Total Disablement as a result of Injury or Sickness commences and whilst the Temporary Total Disablement persists and after the Waiting Period, the Insurer will pay up to the amount insured.
5. From the date Temporary Partial Disablement as a result of Injury or Sickness commences and whilst the Temporary Partial Disablement persists and after the Waiting Period, the Insurer will pay up to the amount insured, less any amount of current earnings as a result of working in a reduced capacity.
6. Should you be able to return to work in a reduced capacity, but elect not to do so then the benefit payable will be 25% of the amount payable for Temporary Total Disablement.

Please note: it is your obligation to notify the Trustee in the event that your salary increases over time. Otherwise, you may only be eligible to receive cover based on an earlier disclosed salary, as opposed to a higher salary at the time of Illness or Injury. Further, if your Salary decreases over time, you should notify the Trustee as excess premiums cannot be refunded.

5. ELIGIBILITY*

To be eligible for default Death and Terminal Illness cover, you must be:

1. a Member of **Superestate**; and
2. an Australian resident or holder of a temporary work visa subclass 457; and
3. at least 16 years old and under 65 years.

3. Exclusions and further conditions specific to Income Protection

1. A new Waiting Period will not apply and the total benefit period shall not exceed the 104 week maximum benefit period, inclusive of the benefit already received. If you have worked on a full-time unrestricted basis for at least 6 consecutive months, the subsequent period of disablement shall be deemed to have resulted from a new

Injury or Sickness. A new Waiting Period and a new maximum benefit period shall apply.

2. Where an Injury requires surgical treatment which cannot be performed within 12 months from the date of the Accident, provided that you can demonstrate that such treatment was known as necessary during the 12 month period from the date of Accident and a Doctor certifies this, the Insurer will treat this as a continuation of the first Injury regardless of whether you were able to return to work for 6 months, provided surgery does not occur in a period in excess of 24 months from the original date of the Accident.
3. If you return to work for more than 5 days during the Waiting Period and suffer a reoccurrence of the Injury or Sickness which led to the initial Temporary Total Disablement, then the Waiting Period shall recommence from the day that you suffer Temporary Total Disablement after returning to work.
4. The amount of any benefit payable for Temporary Total Disablement and Temporary Partial Disablement will be reduced by the amount of any periodic compensation benefits payable under any workers' compensation or accident compensation scheme and the amount of any sick pay received or any disability entitlement so that the total amount of any such benefit or entitlement and benefits payable under the Policy shall not exceed the percentage of Salary of the Insured Member shown on the Schedule and/or the Salary of the Insured Member.
5. If you become unemployed whilst receiving benefit Income Protection payments and are subsequently certified by a Doctor as being fit for light or partial duties, then you must actively Seek Employment which is consistent with the Doctor's certified level of capacity. The duty to take reasonable care not to make a misrepresentation

Diversa has a contract of insurance with MetLife Insurance Limited ABN 75 004 274 882 AFSL 238096 ('MetLife' or the 'Insurer') and YourCover Pty Ltd ABN 35 169 038 466 AFSL 461299 ('YourCover on behalf of certain underwriters at Lloyd's) to provide the insurance benefits for members of the Fund. On becoming a member, you are bound by the terms and conditions of these contract of insurance should you opt into the insurance offering.

Note: the information in the section below applies from 5 October 2021 and the terms: 'we', 'our' and 'us' in this section refer to MetLife Insurance Limited as the insurer responsible for providing Death/Terminal Illness Insurance cover and refer to YourCover Pty Ltd as the insurer responsible for providing TPD and Income Protection cover.

When you apply for life, income protection or TPD insurance, we will ask you a number of questions.

Our questions will be clear and specific. They will be about things such as your health and medical history, occupation, income, lifestyle, pastimes, and other insurance.

The answers given in response to their questions are very important. We use them to decide if we can provide cover to you and, if we can, the terms of the cover and the premium we will charge.

**Care must be taken to answer all questions we ask as part of your insurance application honestly and accurately.
Otherwise, you may not be able to rely on your insurance when it's needed the most.**

The duty to take reasonable care

When applying for insurance, there is a duty to take reasonable care not to make a misrepresentation.

A misrepresentation could be made if an answer is given that is false, only partially true, or that does not fairly reflect the truth. This means when answering our questions, you should respond fully, honestly and accurately.

The duty to take reasonable care not to make a misrepresentation applies any time you answer our questions as part of an initial application for insurance, an application to extend or make changes to existing insurance, or an application to reinstate insurance.

You are responsible for all answers given, even if someone assists you with your application.

We may later investigate the answers given in your application, including at the time of a claim.

Consequences of not complying with the duty

If there is a failure to comply with the duty to take reasonable care not to make a misrepresentation, it can have serious consequences for your insurance, such as those explained below:

Potential consequences	Additional explanation	Impact on claims
• Your cover being avoided	This means your cover will be treated as if it never existed	Any claim that has been made will not be payable
• The amount of your cover being changed	Your cover level could be reduced	If a claim has been made, a lower benefit may be payable
• The terms of your cover being changed	We could, for example, add an exclusion to your cover meaning claims for certain events will not be payable	If a claim has been made for an event that is now excluded, it will not be payable

If we believe there has been a breach of the duty to take reasonable care not to make a misrepresentation, we will let you know the reasons and the information we relied on and give you an opportunity to provide an explanation.

In determining if there has been a breach of the duty, we will consider all relevant circumstances.

The rights we have if there has been a failure to comply with the duty will depend on factors such as what we would have done had a misrepresentation not been made during your application process and whether or not the misrepresentation was fraudulently made.

If we decide to take action on your cover, we will advise you of our decision and the process to have this reviewed or make a complaint if you disagree with our decision.

Guidance for answering our questions

When answering our questions, please:

- Think carefully about each question before you answer. If you are unsure of the meaning of any question, please ask Superstate before you respond.
- Answer every question that we ask you.
- Do not assume that we will contact your doctor for any medical information.
- Answer truthfully, accurately and completely. If you are unsure about whether you should include information, please include it or check with us.
- Review your application carefully. If someone else helped prepare your application (for example, your adviser), please check every answer (and make corrections if needed) before the application is submitted.

Other important information

- Your application for cover will be treated as if you are applying for an individual 'consumer insurance contract'. For this reason, the duty to take reasonable care not to make a misrepresentation applies.
- Before your cover starts, we may ask about any changes that mean you would now answer our questions differently. As any changes might require further assessment or investigation, it could save time if you let us know about any changes when they happen.
- If after the cover starts, you think you may not have met your duty, please contact us immediately and we'll let you know whether it has any impact on your cover.

It's important that you understand this information and the questions we ask, so if you have any queries please contact us by calling 1300 519 800 or emailing hello@superstate.com.au.

WARNING: This Insurance Guide only provides a summary of the insurance conditions and arrangements. For full terms and conditions call 1300 519 800 for a copy of the relevant insurance policies.
